

# Combustible garbage

Combustible garbage such as kitchen waste and plastic products.

We collect that you put in the city-designated garbage bag twice a week.

## Processing method

- We collect it twice a week (Monday/Thursday or Tuesday/Friday).
- Please put it in city-designed garbage bag, and put in decided garbage station by am 8:30 of the collection day.
- You can also bring it to incinerator (Yame seibu clean center) directly.

## Fees

- City-designed garbage bag: (large) 800 yen for 20 sheets  
(small) 600 yen for 20 sheets
- Carry-on fee : 150 yen per 10 kg

Please use city-designed garbage bag.

Kitchen waste  
Please drain the water and put it out.

Plastic product

Incombustible garbage such as bottles and cans is not allowed to put it in garbage bag.

Please make sure to put all of garbage in garbage bag.

Big garbage is not allowed to put it out.

Paper, cardboard, and clothes can also be put out, but these garbage are recyclable garbage, so please put them out as recyclable garbage as much as possible.
